**METRO UTILITY DEPARTMENT WATER/SEWER SERVICE CONTRACT**

This agreement made by **THE METROPOLITAN LYNCHBURG/MOORE COUNTY UTILITY DEPARTMENT** of Lynchburg, Tennessee, hereinafter called the Department and the Applicant.

**WITNESSETH**

Applicant has installed or desires to install on Applicant's property a water piping system, herein called Applicant's System, which Applicant desires to use for normal water/sewer requirements residence or business use. Applicant has requested Department to install the hereinafter defined single service from the Department's water/sewer main to Applicant's system, or for such other uses as may be specifically approved by the Department. **NOW, THEREFORE, IN CONSIDERATION** of the premises, and of the respective promises of the parties hereto they mutually promise and agree as follows:

1. Applicant represents that Applicant's System which is installed, or desires to install, consist, or shall consist, of all pipes, valves, gauges, devices, and equipment which Applicant may deem necessary to meet Applicant's normal water requirement. Applicant's System shall include a service pipe thereto from a point mutually agreed on the property line of the Applicant near Department's water/sewer main which point is hereinafter designated as "point of delivery." The maintenance and replacement of Applicant's System shall be the responsibility of the Applicant.
2. The Department shall install a water meter in each service. The Department shall have exclusive rights to each water meter. The Department shall have unrestricted access to each water meter.
3. Department shall be responsible only to make available to Applicant such water pressure as may be available at the point of delivery from time to time as a result of Department's normal operation of its water distribution system. All water delivered hereunder shall be supplied in accordance with Department's regularly filed rules and regulations applicable to general water service.
4. Department shall not be required to increase its water supply, the size of its mains, or pressure, for the purpose of assuring Applicant of any quantity of water or specific pressure. Department shall have the right to temporarily discontinue the flow of water in the main at the point of delivery in order to repair, maintain, improve, or replace the main or other portions of Department's water distribution supply system on which the main is dependent for its supply.
5. Applicant shall, at no time, assert any claim hereunder against Department for loss or damage which may result from the inadequate or no availability of water, as to both pressure and quantity, or from leaks or other defects in applicant's system, and applicant hereby agrees to indemnify Department and save its harmless from any and all claims or liability from loss or damage to any persons or property resulting from, arising out of, or connected with the renditions of service hereunder, the event of each inadequacy or no availability of water, or in the even of leaks or other defeats in Applicant's system.
6. Department shall bill Applicant monthly, in accordance with the Department's regularly filed service rate schedule, for the service rendered hereunder for any quantity of water used through Department's service connection. Department shall each month make an additional charge therefore in accordance with the Department's service connection. Applicants shall pay monthly bills, which shall become due on the 15<sup>th</sup> and payable to Department on receipt thereof by Applicant. If Applicant shall default in respect to the payment of any such bills for a period of more the TEN (10) days, Department may, at its option, forthwith cancel and terminate this agreement.
7. The term of this agreement shall be from and after the effective date hereof, as hereinafter defined, and shall continue thereafter until terminated by either party hereto giving the other a five (5) day written notice of such termination. All service rendered hereunder shall be furnished subject to the rules and regulations of Department from time to time in force and on file with the Department.
8. The Applicant agrees to pay to Department a tapping charge of \$1,500.00, plus a service charge in the amount of \$50.00. Applicant further agrees that anything to the contrary notwithstanding herin, Applicant shall pay a minimum monthly bill to the Department for the period that is available to Applicant, this amount to be paid whether Applicant uses any water.
9. Applicant agrees that in the event the meter, piping, or other Department equipment is damaged or destroyed by persons or firms, other than the Department, it shall be replaced, at the Applicant's expense.
10. Applicant agrees to execute a non-cross connection agreement at such time as same shall be submitted by the Department, said non- cross connection agreement to basically provide that the Applicant shall not at any time permit Applicant's water district system to be connected in any matter with any other water supply system, which said supply belongs to Applicant or to others.
11. Applicant agrees that at NO TIME shall there be more than one residence connect to any meter.
12. The applicant agrees to grant the Department, its successors and assigns, a perpetual easement in , across, over, under, and upon Applicant's land, with the right to erect, construct, install, and lay, and thereafter use, operate inspect, repair, maintain, replace, and remove water pipelines and appurtenant facilities, together with the right to utilize adjoining lands belonging to Applicant, for the purpose of ingress and egress from the above described lands. Applicant agrees to execute such additional instrument to give further effect to this provision as may be requested by the Department.
